## News and Updates

**During the Year 2020, the Foundation has carried out the following works**

### 1. Financial Aid to Riot Victims

In the True Spirit of Oneness, Bedi Foundation donated Rs. 1.5 Lacs to Ms. Tahsina Shamim, a poor deaf mute mother, residing in the Riot torn area of North West Delhi.

Tahsina husband was brutally killed and most of her possessions burnt in the riot. She was finding it exceedingly difficult to provide for her 3 small children, aged 6 years, 4 years and 9 months old.

A heart rendering plight of a riot torn poor helpless lady.

Let Wahe Guru drive away this communal hatred running in our society today and prevent such senseless and brutal killings.

It is quite encouraging to see other active humanitarian work being conducted by dedicated people.

One such is Ms. Chand Bi who is financially helping many families with her limited funds.

Bedi Foundation donated to her Rs. 20,000 to supplement her depleting funds and to carry on her good work in this area

## 2. Free Oxygen Supply Project
