As the non-speaker if you wish to ask a question or make a point during a meeting it is good protocol to use the 'Raise Hand' facility.

If the tool bar is not showing at the bottom of the Zoom window, place your cursor over the Zoom window so it appears and select the 'Participants' icon.

A window listing other participants will appear, there is also a 'Raise Hand' icon, click the icon to make it known to the Host that you would like to raise your hand.

If you wish to lower your hand, click the 'Lower hand' icon that will have replaced the 'Raise hand' icon.

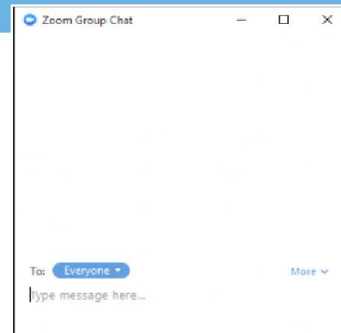

Using Chat

You can use the 'Chat' facility to send text chat to all participants or privately to specific participants.

Click on the 'Chat' icon in the tool bar, again hover your mouse over the Zoom window if you can't see the tool bar.

A chat window will then open. Select 'Everyone' or the name of the person you wish to send a chat message to.

Audio only

It is possible that during the conference participants will be asked to turn off their cameras and move to audio only, particularly if there are problems with the available bandwidth.

To do this simply click on the camera icon at the bottom of the Zoom window.
